Ethan,

How's everything going? Since we haven't heard from you for a while we were starting to worry. We hope things are getting better for you.

We went to an antique mall today & bought a 2' Christmas tree with lights. I know it's not Thanksgiving till next Wednesday but we were ready for Christmas anyway.

Speaking of Thanksgiving, there's having a pitch in dinner next Wednesday here for all the RV'ers.

We ate at a Mexican Restaurant tonight, the best tacos I ever ate, you will love them.

We're trying to find things to do that you will like when we get you for Christmas. The first thing will be to get you more clothes to wear when you're here. Will take you to some of the antique malls, we saw a lot of knives you will like. Will also do a lot of sight seeing or whatever you want to do.

It's getting late so I'll close for now & let Mom say a few words. Just Remember we love you very much & sure do miss you. Take Care, Hi Sweetie! Hope you're doing better, Rachel has been gone for a week doing training, so we haven't got any (over)
